

WBUY Memphis, Tennessee Report for December 2016

Productions

Through WBUY's *Joy in Our Town* program we were able to bring awareness to the issues of human trafficking, feeding the hungry, and finding shelters for the homeless. We also focused on the problem of crime in the inner city, abortion awareness, and teaching at-risk young men how to be future husbands and leaders. We would like to thank all of the ministries and churches who stopped by to inform our viewers. Below are some photos of our *Joy in Our Town* programs.

Community Outreach

WBUY completed its Second Annual Toy Drive this month. We partnered with Yule Tide Furniture to provide gifts to over 5,800 at-risk low-income children within the Porter-Leath system. Our staff also participated by bringing in a toy in lieu of a staff gift exchange this year. Here are some joyful photos.
