

SOUTH STREET MINISTRIES This Month's Investment

Each Month at WDLI we endeavor to invest in a local ministry. This month it was South Street Ministries. They serve Summit Lake youth in grade school. Children come, receive a snack, play board games or educational computer programs, receive homework assistance and tutoring, play a group game, enjoy a Bible study, and then head home with another snack.

WHAT TBN MEANS TO ME

We receive many letters at WDLI. Looking through them today I found one from a prisoner that reads, "I thank TBN and the body of Christ for they're love and support. I hope to visit some of the churches that have taught me and I wan't to share my testimony with others."

JOY IN OUR TOWN

WARRIOR'S PROJECT

Host Eugene Norris interviewed William Lawson and A.J. Ficarro with Warrior's Project who joined us on *Joy in Our Town* to discuss families seeing restoration and healing of loved ones who have been on heroin.

ARC RECOVERY

Host Dana Gammill interviewed guest Reba McCray with ARC Recovery Services. She encourages those who suffer with addiction to recover with the help of the Lord, the community and working with their organization.
