Signature Program

- ❖ WELF's *Joy in Our Town* this month featured host Ciby Thomas talking with Pastors

Richard Moss and Rev. Tommy Watson from the Cowboy Church. Richard and Tommy minister to the children in the cancer ward at the local children's hospital by dressing up as rodeo clowns to bring cheer and the love of Christ.

Community Involvement

- ❖ Now that the terrible wildfires devastating our area have abated from the recent rain, we are mobilizing donations – both for a community close to us recently struck by a tornado and the Gatlinburg disaster. Many homes were destroyed and lives were lost. Trenton United Methodist Church is taking donations for these hard hit communities. WELF partnered with this church to send volunteers to help members organize, separate and pack items going to the various churches in our community and Gatlinburg.

- ❖ WELF is once again partnering with the “Want To Foundation” by providing mentoring services to one of Hamilton County’s public charter schools. The students requested someone from the broadcast industry to come and partner with them as they go through the rest of the school year, to teach skill sets and help find opportunities for experience in local media outlets.

- ❖ TBN attended Scenic City Women’s Network’s “After Hours” event this month. Keynote speaker was Madeleine Miller. A teacher for the last 25 years, Madeleine spoke to the women about how to model Christ in the workplace. She recounted some of her most treasured moments as a teacher over the past years and encouraged women to allow the love of God to shine through us in the workplace.

Unexpected visitors on our front lawn...

We had some unexpected visitors the other day...a miniature donkey and a potbellied pig came through grazing their way across our front lawn at the station. What a strange comical sight, we all had fun watching. We found out that the neighbors down the road have a rescue ranch for unwanted pets, and this pair has become very good at escaping their pasture in search of greener grass!
