His Hand Extended

WELF LOCAL MINISTRY OUTREACH

www.tbn.org

The Franklin Graham multi-city tour stop in Chattanooga went well. During the "Decision America 2017: Tennessee". Franklin Graham plans to present the Gospel at each cities' event. His message was simply to call the lost to repentance and faith, to ask the body of Christ to join him in praying together for our families, churches, communities, and those far from God. His intent was to bring local church's into unity and to urge believers to stop complaining, start praying for our broken political landscape and to become more involved politically.

CHATTANOOGA
OUTREACHES

WELF shared the hope and grace of God to the community through various public outreaches. This month's main outreach efforts were focused on giving art supplies to the Hart Gallery and participation in Chattanooga's largest Christian music festival, JFEST. It was a wonderful way to promote TBN and Smile. Thousands of people stopped by our booth showing appreciation of TBN, we gave away lots of goodies to the children!
