November / December 2016 - Manager's Report

# JCTV Pakistan and TBN Philadelphia

We had the pleasure of hosting JCTV Pakistan on November 21 as they taped three Christmas specials in our studio. Pastors Javed and Obed Rauf, along with sweet Salma Shahbaz, welcomed over 60 guests who participated in the Christmas shows and stayed for a wonderful Christmas celebration afterwards.

## *Your Best Day* with Pastors Galina and Peter Bidnyuk

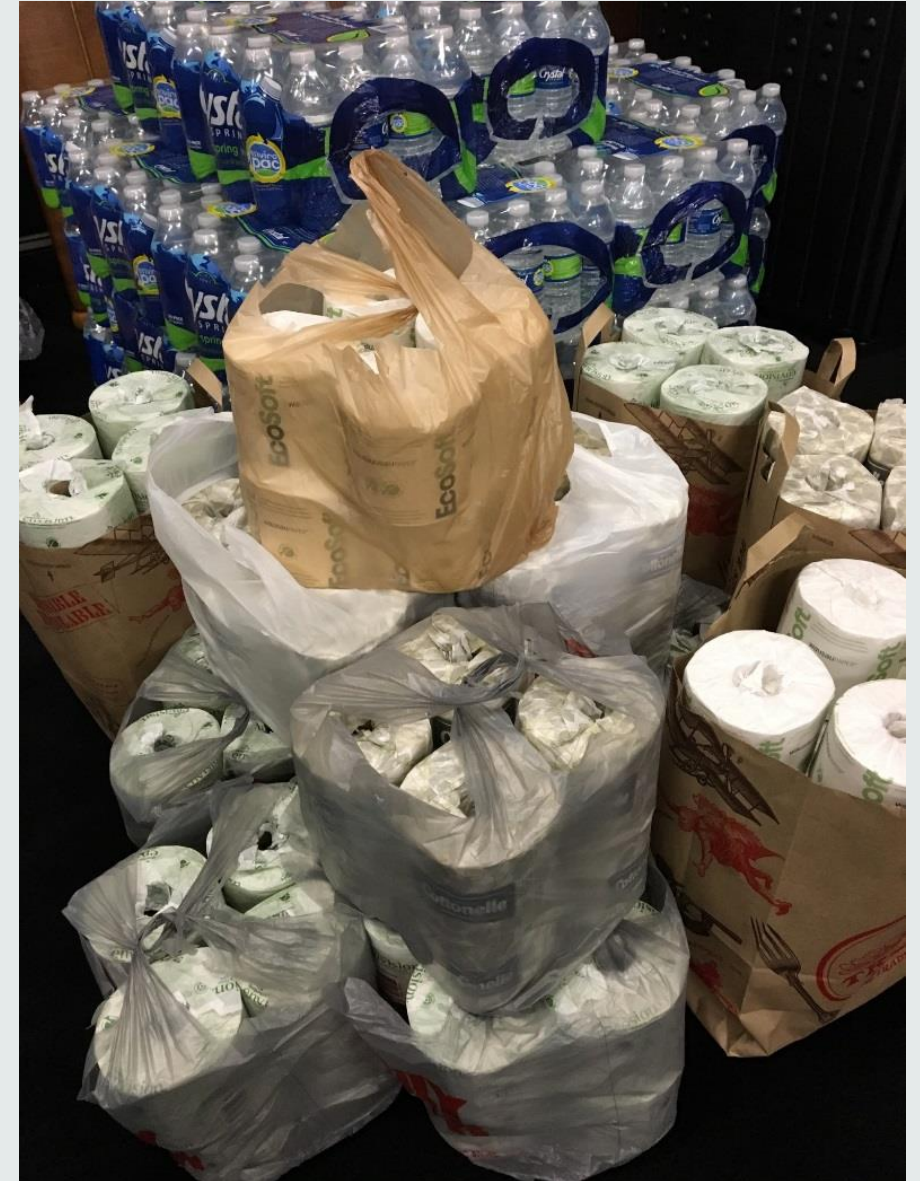

Pastors Galina and Peter Bidnyuk taped Christmas specials from our studio on November 23, 2016 which were then sent via FTP to the studio in St. Petersburg, Russia in preparation to air throughout Russia, Ukraine, the Baltics, and beyond. Their program "Your Best Day" is seen by hundreds of millions of viewers.

**Media Food Bank** was happy to receive the 200 rolls of toilet tissue we donated during the months of November and December and twelve cases of bottled water.

We learned that our local food bank was in need of food carts to assist the physically challenged while receiving their food and then to transport the food to their car. In the beginning of December we gifted four carts to this wonderful outreach organization.

Media Food Bank is very grateful for the four new carts. Thank you Michal Curry and TBN for this generosity. Carts will help clients get groceries to their car.

# How far does *(a)* LOVE *(gift)* reach?

It reaches this far.

This little boy is deaf. He had been asking his parents for a stuffed animal for quite some time but they could not afford to purchase one for him. A volunteer at the food bank overheard his mom make mention of her son's request and the volunteer passed the information along to another volunteer who just happened to have a TBN *Jesus Loves Me* bunny in the front seat of her car. Cathy quietly retrieved the bunny and anonymously had it presented to this sweet young man. He was overjoyed to have the bunny placed in his hands and continued to run his fingers through the bunny ears listening to *Jesus love me, this I know*, over and over again.

The letters we receive from inmates share a common appreciation that TBN is available to them while incarcerated.

But...*What more can we do?*

Thank you for everything and for making the Lord known to others. Thank you for making a difference in my life. ~D. F.

I watch TBN every day and night. It puts me to sleep at night. ~Eugene

I am currently incarcerated and will be until November 2019. Sometimes, it is difficult to move and work when thinking about what I have done. My day is much smoother and easier to do when I watch Joel and Joseph in the morning. Thank you for the daily reminder that my best days are ahead of me and I am forgiven by God's grace. ~Joshua

I watch your network every day in my cell. Your programs have been such a blessing to me and helped me get through this difficult time in my life. Thank you so much. ~Jillian

# Reaching the Incarcerated

## *through the Written Word*

On Saturday, December 10, TBN paper back books and newsletters were delivered to Chaplains Tim Heald and Steve Anderson to be incorporated into area prison libraries. These donations are now in the hands of incarcerated men who are serving time in the James T. Vaughn Correctional Center in Smyrna, Delaware and Howard R. The months of November and December have been quite active in outreach efforts for TBN Philadelphia.

We had the pleasure to assist local community outreach organizations and churches in way of donating food, clothing, toys, books, bottled water, and as always, toilet tissue.

December 2016

above: Pastor Warren and Lady Cynthia McKnight receive toys to give to children during their outreach events. These two, very beautiful people serve those in need in South Philadelphia. For information on their ministry please visit: [www.lovekingdomfellowship.com/](http://www.lovekingdomfellowship.com/)

Joy in Our Town show host Kelly Waldeyer assists in organizing the toys to be distributed among local churches.

This ministry is an active, inner-city, street evangelism, boots on the ground, CHURCH.

Lead by senior pastor, A.T. Sauls, these precious young men were once in charge of running the streets in Camden, New Jersey until Pastor Sauls showed them the love of Jesus. These men are now in ministry and serve alongside of the man who, once a devout Muslim, is living proof that we serve a God of love.

The Christian Academy

Every student was given opportunity to be a show host or a guest in addition to running camera and taking responsibility as floor manager.

Our show hosts were quite creative with the questions they asked their guests. Discussions included favorite type of footwear, most enjoyable sports events, and whether Superman can compare to Batman

Our 7<sup>th</sup> grade production team actually worked the cameras and followed prompting from our TBN director.

TCA instructors look on as the 7<sup>th</sup> grade students take charge. They did a great job and had fun doing it.
