# O U T R E A C H

Does outreach really make a difference?

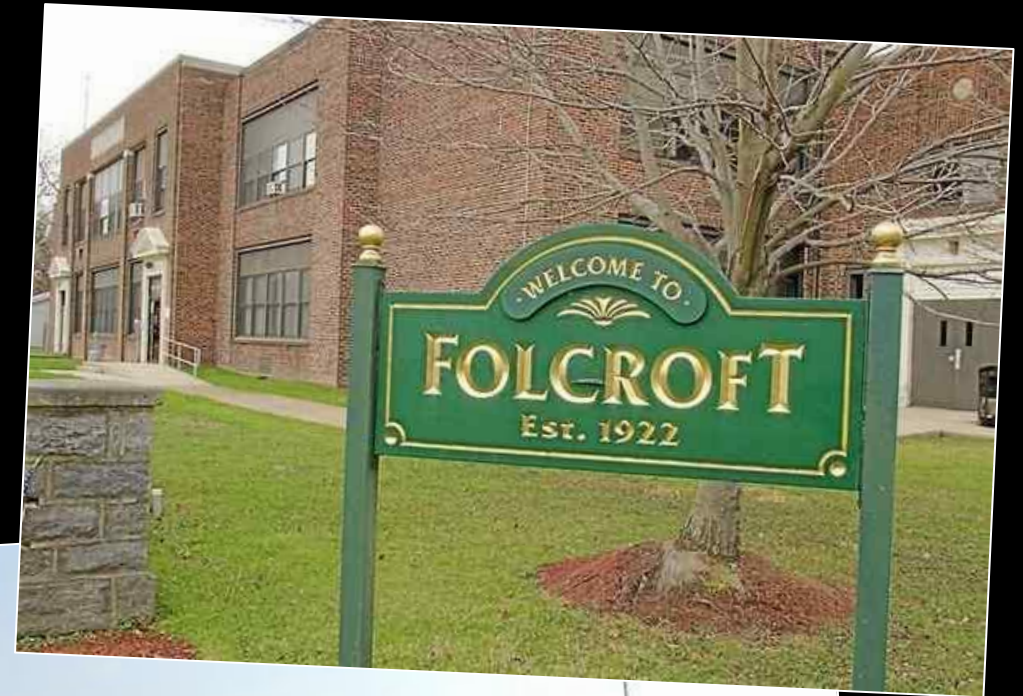

Yes.

Every. Single. Day.

# Reaching Out into Folcroft, PA

This month we had the pleasure of donating food items to our local fire department in appreciation for their selfless service to this station and surrounding community.

We are grateful to every fire firefighter and EMT who **VOLUNTEER** their time to ensure our safety.

## Reaching Out into Camden, NJ

No matter how many cases of bottled water and toilet tissue we distribute each month it is always a striking realization that countless thousands of people within our area communities lack these basic necessities. When we donate these items to local ministries we know that they are immediately distributed to those who have need.

Kingdom Cultural Center International is hosting its first Man Up workshop on January 28, 2017 which is lead by Pastor A.T. Sauls. The books shown above were donated to this ministry and will be used during this workshop in addition to other Kingdom-minded mentoring events planned throughout this year.

# Reaching Out into Wilmington/Smyrna, DE

One hundred paperback Bibles and TBN Newsletters were delivered to **Prison Outreach of Delaware** on January 21 to distribute to inmates who reside within the James Vaughn Correctional Institute in Smyrna, DE and the Howard Young Correctional Facility in Wilmington, DE.

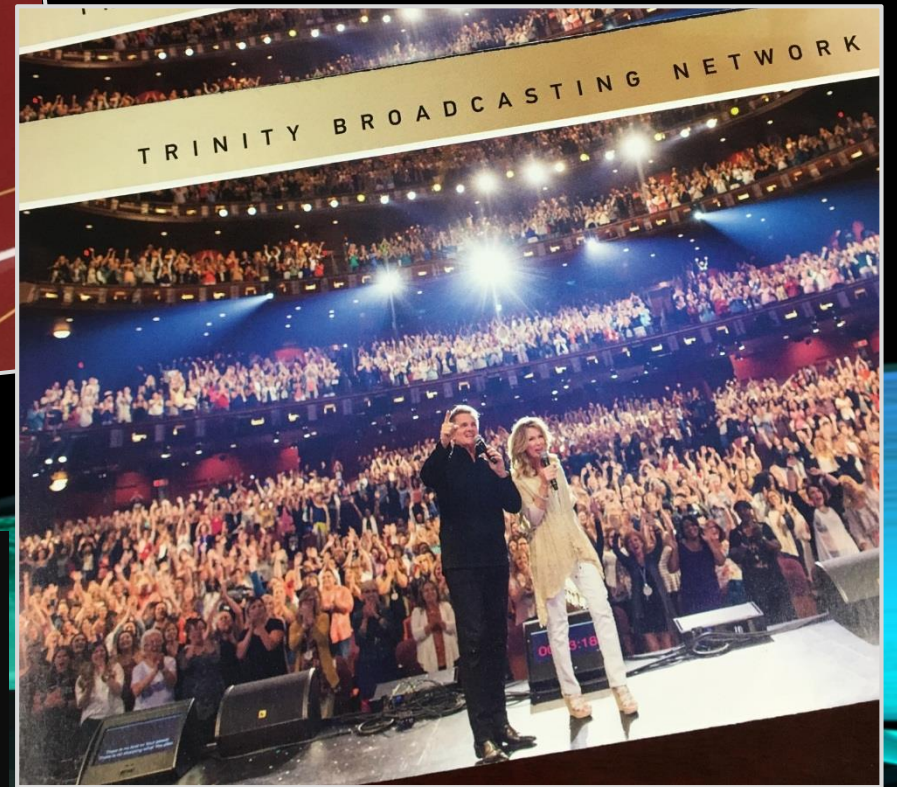

Chaplain Joe Kadtko is the current Facility Chaplain of the Howard R. Young Correctional Institution, a.k.a. Gander Hill, in Wilmington, DE. For more information on **Prison Outreach of Delaware** please visit: [www.behindthebars.org](http://www.behindthebars.org) -AND- [www.facebook.com/PrisonOutreachDE](https://www.facebook.com/PrisonOutreachDE).

We are honored to supply Bibles and TBN newsletters to this committed outreach organization. These items are distributed to the incarcerated who, for many, are in possession of the Living Word for the first time in their lives.

# Reaching Out to the Inside

TBN books, DVDs, and newsletters are entering the Howard R. Young Correctional Institution in Wilmington, DE and are used by Chaplain Kadtko as teaching tools during chapel services and one-on-one ministry sessions to those incarcerated.

TBN

Bibles are  
now  
available to

# Reaching Out into Chester, PA

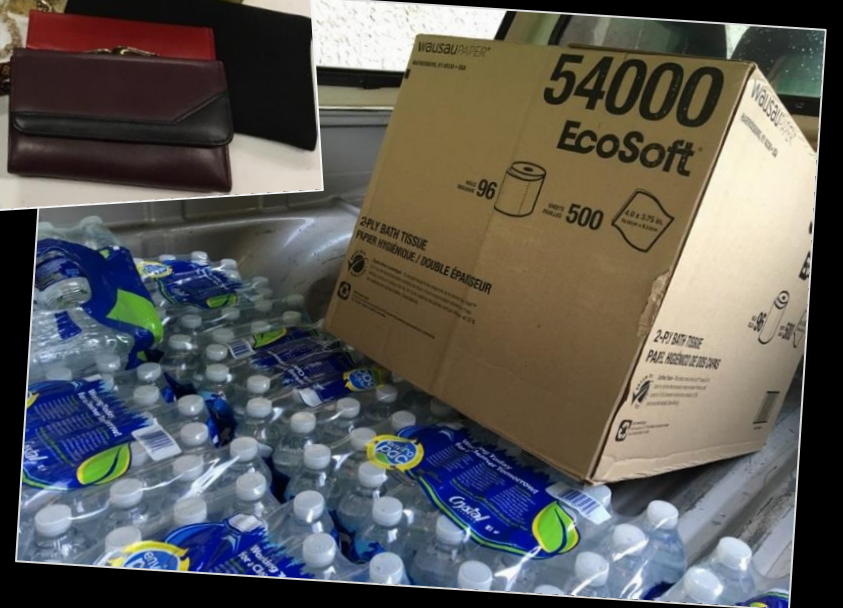

For more information on Anna's Place and the Sisters of St. Francis please visit: [www.annasplace.org](http://www.annasplace.org) -OR- [osfphila.org](http://osfphila.org)

The Sisters of St. Francis minister to the inner-city of Chester, PA. Their work touches those infirmed, those without family, and those whose hearts are broken. These beautiful woman reach into areas of this neglected city that most of us would not attempt to visit. This station is privileged to assist in supporting the numerous outreach ministries housed in Anna's Place.

This month we donated cases of bottled water and a case of toilet tissue. The accessories shown above were also donated. These items are used as prizes during game parties in which a participant picks the prize of their choice.
