

Local Praise The Lord Production

Every month, we have the privilege of taping and airing our inspirational *Praise the Lord* program featuring local pastors & ministers sharing their testimonies and inspiring us in our walk with the Lord. This month was really special as we welcomed Dr. Roberts Liardon from Roberts Liardon Ministries and Pastor Patrick McGuffin from Freedom Fellowship Church. Dr. Liardon is launching a church in the Orlando area and is named after the late healing evangelist Dr. Oral Roberts. Liardon's mother was the first ORU student to give birth and decided to name him after the school's founder. Also, Pastor Jonathan Miller from New Beginnings Healing Center hosted his parents Pastors Don & Becki Miller as they read from the scriptures and shared encouragement with the viewers. Other guests were Pastor Rotimi Kaleb and Dr. Douglas L. Wingate from Life Christian University.

Special Easter Services at the Church of All Nations

On Easter Sunday, we had a very special service at the Holy Land Experience Church of all Nations to celebrate our risen Savior! The service featured soloists, special speakers and communion and was a wonderful event for those in the Orlando area to attend. We are so blessed to have world class musicians and speakers in this area that gifted us with their anointed messages and songs.

April 28, 2016 – Prison Ministry Coleman Mock Job Fair for Prisoners

Each year, the Bureau of Prisons hosts mock job fairs and resource fairs for inmates at institutions all around the county. Mock job fairs provide inmates with real-life like opportunities to practice their job seeking skills. Most institutions require that inmates complete a job skills class prior to participating in a mock job fair. This requirement improves the success of the event and increases the value of the experience for participating inmates. During a mock job fair, volunteers conduct mock interviews of inmates. After the

interview, the inmates are provided feedback on their performance and given constructive criticism on ways to improve. Our station manager, Oralena Brazier was asked to participate in the mock job fair at a prison in Coleman. During her time there, she was able to encourage the inmates in the program and minister to them as well as see the positive impact TBN's Second Chance Ministry is having in the facility.

2016 Apopka Mayor's Prayer Breakfast

On May 5, 2016, the National Day of Prayer, the city of Apopka had a special mayor's prayer breakfast where Apopka and its leaders joined to pray at the Apoka Community Center. The guest speaker was Sammie Smith who grew up in Apopka and played football for Apopka High School, Florida State University, the Miami Dolphins and Denver Broncos. In 2013, Smith was inducted into the FSU Hall of Fame as one of the greatest running backs in the school's history. He is currently the Lake County area representative for the Fellowship of Christian Athletes, and owner of Kingdom Impact Sports in Mount Dora. Smith's inspiring message was one of redemption and his hope of changing young people's lives. How do we do that? Smith says, "Be diligent about prayer. Prayer changes things. Prayer is amazing. You want to effect change? Pray and look in the mirror."
