Becky Bustin (Station Manager) and Jason McCoy (Station Operations/Public Affairs) took part in the Career Fair at Volunteer State Community College. We had a video playing of productions done here on property that played on a laptop, we gave out several applications, talked with many about on-call production assistant needs that we have, and offered free gifts for any that would like one along with information on all that Trinity Music City has to offer.

Our tour season is here and we are excited to say that a new (to us) tour company brought three buses to visit us on May 14, 2016. We had 121 guests shopping in our Gift Shop and they all took our full tour that is offered free to everyone that comes to Trinity Music City. Our full tour is a walking tour of which guests enjoy seeing and hearing the history and current activities happening in our TMC Church Auditorium, WPGD-TV Studios, TMC Recording Studios, Conway Twitty's former mansion, and our beautiful Gardens/Park. We love to share God's love with each visitor!

From guest that have visited Trinity Music City:

*"I enjoyed Trinity Music City USA, I found it to be extremely entertaining and educational. It is very spirit lifting...I enjoyed learning and seeing how a broadcast taping was being taped. A great experience for the entire family or church group." - Earlene (5-Star rating)*

*"It was a wonderful thing that you have a recording place for people like me to sing. We look forward to coming back again soon. I hope to have my husband come down here also. The people that we were with were so kind and warm. Thanks." - Client of TMC Recording Studio*

We received a phone call from a lady named Rhonda, who attends a local church that has come to one of our *Praise the Lord* tapings, who asked for our staff here at Trinity Music City, specifically, to pray for her mother who was having a bad day with her chemo treatment. An email was sent out to all of our staff immediately after the call, and we were all able to pray for Rhonda and her mother. What a privilege and blessing it is to pray for others!
